## January Newsletter

Welcome to the New Year!

Here are some of the exciting things that we have or that is coming for this spring!

### Baby Carriers

We continue to carry the Jellybean marsipum sling and Baby Trekker. Baby Trekker has two styles to choose from. The original version is great for larger adults too!

### Bath time

We have discovered two exceptional bath seats for babies, both made in France. What makes these seats so unique is that they fit into the tub or baby bathtub secured by suction cups and allows you to bath your baby hands free.

### Diaper Bags

We currently carry two great lines from Australia – Oi Oi and GR8X and have recently imported Skip Hop from New York.

Looking for a bag that is well made and has all the right features, these bags have style!

### Feeding

If you already have our Snack Trap, you will have discovered how great this cup is! Now we carry the sipper lid attachment.

We also carry the Baby Safe feeder and replacement bags. Perfect for introducing solid foods without the worry of choking!

### Layette

West Coast Baby from Vancouver and two new Kushies lines are coming soon!

### Rainwear

Wippette rainwear and rainsuits, Forty Mile Creek rainwear featuring Fireman jacket & Kushies rainwear for toddlers.

### Sleeping

We carry the #1 rated baby sleeping bag – Grobags. Come in various sizes, warmth & prints.

### Toys

Infantino toys and Mamas and Papas rocking horses will be arriving this spring. Ragedy Ann & Holly Hobby are back! Check out our selection of soft dolls.

## Yogini

Girls yoga inspired clothing line. This line proved to be a great success! Unfortunately we were unable to reorder more as it was sold out. Good news, we have two orders coming this January and March.

## Formal Wear

Beautiful gowns and tux's from infant to size 16.

Remember we can special order from our catalogue too.

## Footwear

New Robeez styles expected by the end of the month! New Ocean themes are adorable! Discontinued styles are now on sale.

Stride Rite's Spring line will be arriving mid February. Featuring excellent leather shoes, runners and sandals.

## UV suits & Sandals

Going somewhere warm & sunny? We carry UV suits and sandals in our stock room, please ask & we'll be happy to accommodate you.

**Royal Doulton – Bunnykins & Beatrix Potter** collectables can be found in our store. Unlike the new Royal Doulton Bunnykins which are now made in China, these are made in England.
